### Archery Staff

#### *Prerequisites:*

Experience in archery as well as experience working with children are considered an asset.

#### *Overview:*

Working closely with the *Activity and Out There Coordinator* to ensure educational, safe and fun activities for the children.

#### *Expectations:*

1. Maintain and repair both the archery and archery game equipment.
2. Keep a pre and post summer inventory of equipment.
3. Supervise the children to ensure a safe and fun experience.
4. Sign in and out the children at the beginning and end of each activity.
5. Train other staff with succession in mind.

In addition to the above expectations, the successful candidate will contribute positively to an environment where we seek to encourage, build up and humbly challenge one another to continually grow. As a leader, they will demonstrate discernment and maturity helping to perpetuate safety, efficiency and fun as we strive to create a place for campers as well as staff from many different walks of life to be able to open up and experience freedom in a life with Christ.

All staff are required to sign IAWAH's Statement of Faith, Lifestyle Agreement and Commitment to team.
