Beach Head

Prerequisites:

NLS (preferably waterfront NLS) with guarding and teaching experience is required. Experience managing and mentoring others is considered an asset.

Overview:

Provide leadership and direction to the beach in order to ensure a safe and fun environment.

Expectations:

1. Supervise lifeguards - ensuring proper rotation and vigilance of the team.
2. Monitor swimmer to guard ratios.
3. Ensure that beach area is clean and appropriately stocked, including appropriate care and maintenance of water toys .
4. Ensure that camper sign-in / sign-out is appropriately supervised.
5. Oversee and direct waterfront searches in case of an emergency and for drills.
6. Provide ongoing training to beach lifeguards with succession planning in mind.
7. Be available throughout the day and evening when the waterfront is requested for use.
8. Provide a pre and post summer inventory of all waterfront equipment.

In addition to the above expectations, the successful candidate will contribute positively to an environment where we seek to encourage, build up and humbly challenge one another to continually grow. As a leader, they will demonstrate discernment and maturity helping to perpetuate safety, efficiency and fun as we strive to create a place for campers as well as staff from many different walks of life to be able to open up and experience freedom in a life with Christ.

All staff are required to sign IAWAH's Statement of Faith, Lifestyle Agreement and Commitment to team.
