Kitchen Staff

Prerequisites:

This role requires a flexible, hard-working individual with some interest in food preparation and guest services. Must be able to function successfully in a fast-paced, multitasking environment and have the ability to communicate well and be an effective team player. Attendance of a Public Health Safe Food Handler Training Seminar and previous experience in a restaurant or camp kitchen will be considered an asset.

Overview:

Kitchen staff will work an 8-hour shift directly supervised by a Kitchen Shift Lead and the Head Cook to prepare high quality meals in a timely manner. This will include things such as baking, chopping, other meal prep, serving and cleaning up. Training will be provided.

Expectations:

1. Arrive promptly for shift and use time responsibly for work and rest.
2. Listen to instruction carefully and follow procedures to prevent an unsafe work environment.
3. Complete all assigned tasks in a timely manner
4. Communicate struggles and needs to Kitchen Shift Lead.

In addition to the above expectations, the successful candidate will contribute positively to an environment where we seek to encourage, build up and humbly challenge one another to continually grow. As a leader, they will demonstrate discernment and maturity helping to perpetuate safety, efficiency and fun as we strive to create a place for campers as well as staff from many different walks of life to be able to open up and experience freedom in a life with Christ.

All staff are required to sign IAWAH's Statement of Faith, Lifestyle Agreement and Commitment to team.
