Wilderness Head

Prerequisites:

Experience in a camp setting, and knowledge in various wilderness skills (fire making, pond study, shelter building etc.) as well as experience working with children will be considered an asset.

Overview:

Working closely with the *Activity and Out There Coordinator* to ensure educational, safe and fun activities for the children.

Expectations:

1. Maintain the equipment and areas used for wilderness lessons.
2. Provide supervision in all activity periods to ensure a safe and fun experience.
3. Ongoing lesson planning and improvement.
4. Sign the kids in and out.

In addition to the above expectations, the successful candidate will contribute positively to an environment where we seek to encourage, build up and humbly challenge one another to continually grow. As a leader, they will demonstrate discernment and maturity helping to perpetuate safety, efficiency and fun as we strive to create a place for campers as well as staff from many different walks of life to be able to open up and experience freedom in a life with Christ.

All staff are required to sign IAWAH's Statement of Faith, Lifestyle Agreement and Commitment to team. (Updated Oct. 2018)
