RISE: Introduction to YDLP

Growth Through Experience

Program 1: July 7 - 20 / Program 2: August 18 - 24

RISE Applicants must have completed grade 8 by June 2019.

RISE is an introduction to IAWAH's Youth Development and Leadership Program. An excellent option for the camper that's "been there and done that" or for those looking for that little extra above and beyond the regular camp daily program. It allows for participants to experience all the great activities of camp, such as prime time, morning activity choices (even focus programs) but also learn how to design and run a program, experience a bit of cabin leading while shadowing one of our junior camp leaders, and run an exciting activity. It's an introduction to how camp works, learning through practical experience. The 2-week program includes a unique overnight camping trip between weeks one and two.

Criteria: A desire to learn about camp in a team environment. The program is looking for mature young people willing to live in community and are open to exploring their leadership potential through experience in daily workings of camp life. Participants can expect to go deeper in Biblical studies than regular camp and they learn together.

Maximum Capacity: 25 participants per session.

Cost: Program 1, \$1300 + tax / Program 2, \$650 + tax

Year One: CREW

Growth Through Service

Crew 1 June 30 - July 20 / Crew 2 July 14 - Aug 3 / Crew 3 July 28 - Aug 17 / Crew Wild Aug 4-24

CREW Applicants must have completed grade 9 by June 2019.

CREW is the first year of personal development training within the Youth Development and Leadership Program at IAWAH. It is a three-week program for those who have completed grade 9. CREW is based on volunteer work and focuses on excellence in work, healthy habits and living in Christian community. Because CREW provides foundations for Godly character and personal discovery of scripture, it is the ideal place to begin to develop yourself as a future leader.

CREW's first week begins with a three-day canoe trip and three days of training followed by two weeks of service. CREW is an intensive 21-day program and full attendance is required. During the two weeks of work, there is a day of rest that will be intentionally programed by the CREW Staff.

Each CREW participant will work up to six hours daily in food service (dining room/dishes), housekeeping (bathrooms/general cleaning) and grounds keeping. CREW is structured with plenty of time to interact with each other through organized team challenges, camp activities and free time.

Criteria: A desire to develop healthy work habits; willingness to work and live in a Christian community; a desire to form Godly character; willingness to engage God's Truth and experience biblical teaching.

Maximum Capacity: 18 participants per session.

Volunteer Hours: 72 hours (with full participation)

Cost: \$795 + tax

Option: CREW Wild!

CREW Wild gives youth interested in outdoor adventure and tripping the opportunity to participate in a CREW program which focuses on these "Wild" aspects of leadership development. CREW Wild is the same length as the other CREW programs, but it has an extended canoe trip and an added emphasis on learning outdoor skills. While not a necessary prerequisite for ROOTs Wild, CREW Wild is a great option for those who might be interested in going on to ROOTs Wild.

"This was the best part of my summer by far and I just want to thank everyone at IAWAH for making this possible!" -CREW participant

Year Two: ROOTs

Building Personal Character / June 30 - July 28

ROOTs Applicants must have completed gr. 10 by June 2019.

Volunteer Hours: 40

Cost: \$1695 + tax

ROOTs is a four-week program focused on character development, healthy community and spiritual growth in a leadership context.

Participants choose to learn in one of three distinct environments: "Amazing Race", "Wild" or "Altitude"

General Program Outline:

Days 1-7: All participants begin together and learn foundational truths in scripture through experiential based teaching and group study.

Days 8-17: The group splits into one of three streams;

ROOTs Amazing Race! (max. 16 participants)

New for 2019, ROOTs Amazing Race will take participants on an incredible journey in a Voyageur Canoe, beginning in Kingston, following the Rideau River and finishing at the camp IAWAH beach. Over the course of the trip, the group will engage in a video project, producing "daily episodes" of the race. Camping will happen at the locks along the Rideau. If you're into an easier paddling trip, or "glamping", engaging in a photography and film project while participating in an Amazing Race... sign up now!

ROOTs Wild (max. 10 participants)

For those that love the outdoors and a more challenging canoe trip, the team will venture out for 8-10 days. An extended river trip provides the water conditions necessary for learning the right foundations for participants to consider becoming trip guides in the IAWAH context or elsewhere. The wilderness provides a natural structure and rhythm in which to learn. It requires learning how to adapt and respond to its conditions.

ROOTs Altitude (max. 14 participants)

We begin with a few days of preparation and skills development before heading on an exciting outdoor adventure in the Adirondacks high peaks region of Lake Placid, New York. Participants will plan their own route, and learn essential camping, hiking, and mountaineering skills such as map reading and trip leading. ROOTs Altitude is an excellent introduction and foundation for those interested in leadership through experiential and outdoor education for teaching camp activities. Join Roots altitude and bag some 5000+ ft. peaks!

Days 18-21: All 3 groups return to IAWAH and work together in preparing and planning for their final project--the delivery of a week-long day camp at IAWAH.

Days 23-27: The entire group will run a day camp at IAWAH for kids from our local community of Westport and surrounding area

Days 27 and 28 After their week of service, participants finish the program with an intensive debrief, time to reflect on what God has taught them and sessions to help prepare them for success post-ROOTs.

Criteria

- Desire to serve in Christian community with a focus toward working with children
- Desire for spiritual maturity - being willing to engage God's Truth and experience biblical teaching
- Willingness to develop skills and abilities in a variety of areas.
- Willingness to be challenged spiritually, socially, intellectually and physically.

Volunteer Hours: 40 with full participation

"I had a great four weeks. I learned so much about myself, God and the life that I am expected to live as a disciple of Jesus. I really enjoyed going to Chesterville for a week and helping out with the VBS. It really helped boost my confidence as a leader. I made lots of new friends at ROOTs and I am very thankful for the opportunity I had to come." -ROOTs participant

Year Three: REACH

Expanding Horizons

REACH is a program designed to expose and challenge participants in their understanding of Christian leadership in a cross-cultural context. For 2019 IAWAH is offering two opportunities; Costa Rica and Constance Lake First Nation Reserve (Ontario). Both programs will be use the same foundational curriculum, focusing on gaining a theological understanding of poverty and our responsibility as Christ followers in helping to alleviate this problem.

In Costa Rica, the group will join the leadership team of Camp La Cumbre, as we prepare and assist in running a camp for youth from some of the most challenging areas of San Jose. During our second week, we will take on a physical challenge through an incredible hike from The Continental Divide to the beautiful rain forest of the Pacific Coast, finishing with a well-deserved break at the beach. We finish off our time in San José, learning how God is working in that city through visiting and participating in various strategic ministries to students and the most vulnerable.

In Canada, the trip will be offered in two parts with the option of doing one or the other or both.

Part A (July 7-20) begins at Camp Norland, the Coldwater Canada summer base (transport offered from IAWAH). We will be partnering with Coldwater and Bethel Church Kingston to provide a more successful experience for all. The team will spend the first week preparing for their time of service with the children and youth of the community followed by leading a day camp and youth events alongside community leaders.

Part B (July 18 - Aug 3) is an exciting trip on the Missinaibi - one of the great northern Ontario rivers traditionally used by Canada's First Nations people as a main transportation and trade route.

It is important that our young people understand the challenges that our nation faces with its First Nations people, to rid ourselves of negative stereotypes and understand what part we can play in healing broken relationships. IAWAH will be building upon a long-standing relationship that Bethel Church Kingston has with Constance Lake and is entering upon a personal invitation of the Band's Chief. For the full experience, we strongly recommend that participants choose both Parts A+B.

Guidelines for YDLP Participants

Understanding that there is a time to set aside certain things in our lives for the purposes of learning, growing and experiencing different things, IAWAH expects that participants, while enrolled, will:

- participate in healthy, God-honouring relationships;
- set aside starting “to date” while at IAWAH;
- adhere to IAWAH standards on tech use. For all campers - including CREW and ROOTs - IAWAH is a NO CELL PHONE zone;
- avoid situations and circumstances that compromise integrity;
- present themselves in a manner that respects and values themselves and the rest of the community;
- be law-abiding citizens, including abstinence from alcohol, marijuana, illegal and non-prescription drugs and substances;
- fully participate, respect curfew, be punctual, value the privacy and dignity of others;
- abide by rules that may be implemented during the Program—there will be situations and circumstances where specific rules may be implemented.

Creating work/service groups and residence assignments is the responsibility of the Program Leaders.
