Mountain Biking Head

Prerequisites:

Knowledge about bike maintenance, biking technique and Standard First Aid / CPR C are required. Previous experience working or volunteering with children is considered an asset.

Overview:

Provide leadership and direction to the staff in your area. Maintain equipment and request parts and repairs as needed. Ensure a safe and fun environment for all campers.

Expectations:

1. Supervise storage of mountain bike area at the beginning and end of each lesson.
2. Ensure all equipment is in good working condition.
3. Keep the area organized and properly equipped.
4. Provide supervision during all activity periods to ensure a safe, and fun experience
5. Provide initial and ongoing training to biking staff with succession planning in mind.
6. Maintain and build the biking trails.
7. Perform a pre and post summer inventory of all mountain biking equipment.

In addition to the above expectations, the successful candidate will contribute positively to an environment where we seek to encourage, build up and humbly challenge one another to continually grow. As a leader, they will demonstrate discernment and maturity helping to perpetuate safety, efficiency and fun as we strive to create a place for campers as well as staff from many different walks of life to be able to open up and experience freedom in a life with Christ.

All staff are required to sign IAWAH's Staff Expectations, which will be provided upon receiving a contract.
